Friends,

I wanted to send you all an email to let you know that June, 30th will be my last day with Council District 14. The opportunity to work with this office on Downtown's revitalization has been incredible. First and foremost, a huge THANK YOU to my boss, Councilmember Jose Huizar, for providing me with this opportunity, for allowing me to grow within this role and for supporting me all the way through. Many more thanks go out to the CD 14 team and the City Family for this amazing learning experience and all the fun we've had along the way. The City of Los Angeles is an incredible place to be.

I have accepted the position of Executive Director for [Coro Southern California](#), an experienced-based leadership program in public affairs that has deep roots with the City of Los Angeles. Great cities need great leaders and I'm excited to shift from "urban" and "economic" development to "people" and "leadership" development for the Southern California region.

Please keep in touch, my new contact information is sara@corola.org.
